+ ABOUT ME

Business Development Representative/Executive with experience in lead generation, proposal writing, Upwork bidding, and client engagement across the USA, UK, UAE, and KSA. Promoted from KYCIER Team Lead to Upwork Bidder due to excellence in data management, pipeline optimization, and sales intelligence. Experienced in IT services, software, mobile apps, websites, and digital marketing; adept at translating client requirements into actionable, results-driven solutions while leveraging AI tools to streamline research, proposals, and decision-making.

+ WORK EXPERIENCE

- Sigma Digital Solutions JUN 2025 - APR 2026
Islamabad

UPWORK BIDDER / BUSINESS DEVELOPMENT EXECUTIVE

Proposal & Profile Management:

Did tailored proposals and optimized Upwork profiles to improve win rates.

AI Utilization:

Used AI (Upwork toolkit, Grok, ChatGPT) to enhance proposals efficiency.

Lead Conversion:

Identified relevant projects to convert prospects into clients.

Outreach & Outsourcing:

Contacted potential clients via email and phone to develop new business opportunities.

Client Communication:

Engaged with clients to understand requirements and offer suitable solutions.

Technical Understanding:

Applied basic IT knowledge to effectively present services and solutions.

- Sigma Digital Solutions AUG 2024 - JUN 2025
Islamabad

KYCIER - LEAD GENERATION & DATA MANAGEMENT (TEAM LEAD)

Global Lead Generation & Market Research:

Generated and qualified high-potential leads using Google, online directories, LinkedIn, and advanced data scraping tools.

Market Insights & Client Profiling:

Researched market and client needs to improve outreach and conversions.

KYC & Data Automation:

Built detailed client profiles to improve personalization and proposals by leveraging manual research, AI tools (RocketReach, Sales Navigator), and automation scripts.

Website & Digital Analysis:

Delivered website health reports (audits) assessing UI/UX, SEO (WooRank, SEMrush), and technical quality (Wappalyzer, WhatFont) to guide sales strategy.

Persona & Data Management:

Streamlined data and pipeline management using Google Sheets, MS Word, and Excel to enhance follow-ups and sales efficiency.

Team Leadership & Training:

Mentored and trained team members and interns, conducted meetings and process improvement initiatives to boost productivity and quality.

- DEFT Recruiter JAN 2023 - APR 2023
Lahore

SENIOR RECRUITER & CONTENT MANAGER

Senior Recruiter driving talent acquisition for Oil & Gas across Gulf countries, especially UAE. Managed sourcing, proposals, and candidate meetings while ensuring clear communication. Boosted brand presence through engaging content and visually appealing materials using Canva.
